

Cooking

Dependable performance. Delicious results.

Do you prefer gas or electric cooking in your kitchen? Answer that, and the decisions have just begun. That's because Maytag offers a variety of cooking solutions that deliver outstanding results as well as extra conveniences that help you keep up with your busy life.

WHICH STYLE IS RIGHT FOR YOUR KITCHEN?

Answer these questions to help determine which models and features you need to solve your everyday challenges.

1. Would you love the capacity and convenience of a double wall oven, but don't want to remodel your kitchen?

2. Do you move the cookie sheet from the top rack to the bottom when baking cookies to ensure even browning?

3. Do you run out of space in the oven or on the cooktop when cooking a big family meal?
4. Does your cooktop take forever to boil the water in a big stockpot?

5. Do you hate waiting for the entire oven to preheat just to bake a single-serving meal?

6. Do you often reheat dinner for family members who are running late?
