VOLVO

for life

THE FINISHING TOUCH

Congratulations! By choosing a Volvo, you and your family can look forward to all sorts of exciting experiences; one of the motoring world's most inspiring driving experiences, first-class riding comfort, and Volvo's legendary safety. And last but by no means least, all the small, helpful, practical details that cap the experience of owning and driving a European luxury car – one that is always on your side. One of the pleasures of owning a Volvo is the opportunity of personalizing your car according to your own individual tastes. Volvo's accessories are the only ones that are exclusively designed to suit your car perfectly. Naturally, they are tested according to Volvo's exacting standards for safety, quality, and concern for the environment – all to give you and your family maximum pleasure and to give you the full benefit of the time you spend in your Volvo.

Genuine Volvo accessories purchased at the time of a new Volvo vehicle are under warranty for four years or 80,000 km. Accessories purchased after this time are covered for the balance of the new car limited warranty period or a minimum of one year.

NB. This brochure presents the accessory range for the Volvo models of model year 2006. For information about the accessories for older Volvo models, please contact your Volvo retailer. The accessories shown are just examples and may look differently depending on the Volvo model. If a certain model is specified, that model or models are printed in black in conjunction to each accessory. Maximum load of the car: If the total weight of the car is altered, i.e. by fitting heavy accessories, then the maximum load will be reduced. The weight of accessories is usually stated in catalogue. Also, see the owner's manual for the car, specifications.

LOAD BARS

Load bars provide a great rooftop carrying system by installing quickly and easily directly to the roof of your vehicle.

Volvo's load carrying system is a multipurpose roof rack system that provides you with a variety of functional, interchangeable accessories to meet all of your load carrying needs. Volvo's load systems offer both a roof rail/cross bar setup as well as a load bar system to meet all the requirements of your particular vehicle.

S40 V50 S60 V70 XC70 S80 XC90

ROOF RAILS/SQUARE PROFILE CROSS BARS

Classic, plastic-coated steel square profile cross bars for quick and easy attachment of Volvo's rooftop carrying system.

S40 V50 S60 V70 XC70 S80 XC90

ROOF RAILS/T-TRACK CROSS BARS/ROOF RIBS

These silver cross bars look great on the car without any load. These bars follow the shape of the roof and the aerodynamically shaped wing profile reduces wind noise. The upright bike carrier and the sliding ski carrier are just two of the great accessories that work with these bars. Shown are Volvo's roof protection ribs. Installed lengthwise on the roof, these protector ribs shield against scratches. Roof ribs help protect against scratches on the roof as well as add to the appearance of the vehicle. The ribs consist of rubber and easily mount to the roof of the vehicle. There are a total of 7 longitudinal ribs along the roof. The maximum load capacity for these ribs totals 36 kg.

S40 V50 S60 V70 XC70 S80 XC90

EURO-WEEKENDER ROOF BOX

This rooftop cargo box mounts to load bars or cross bars and features a dual opening system that allows access from either side. Measures 175 x 36 x 82 cm. Made of durable ABS plastic, this stylish box comes with locks. Available in black.

S40 V50 S60 V70 XC70 S80 XC90

CARGO BOX "MOUNTAINEER II"

This extra long cargo carrier is ideal for the large family and busy weekends. The box holds up to eight pairs of skis, boots and poles. It is also great for transporting luggage, camping and sports gear. Opens from both sides and includes quick-snap hardware for easy installation and removal. Measures 232 x 77 x 41 cm, 18 kg.

FRONT FOG LIGHTS

Help improve your vision in fog and rain with a Volvo fog light kit. The low position light gives a sporty appearance but also increases safety by illuminating areas otherwise subjected to shadows.

S40 V50 S60 V70 XC70 S80 XC90

CENTRE STACK CONSOLE AND INTERIOR DOOR TRIM KIT

Interior trim kits are available in three different materials, Iced Aqua, Aluminum and Wood Effect, giving the cabin a fully integrated look.

S40 V50 S60 V70 XC70 S80 XC90

SPORT STEERING WHEEL WITH ALUMINUM INLAY

Exclusive sport steering wheel with super-elliptical rim and pronounced grips in perforated leather. The wheel's metal inlays harmonize with the rest of the car's interior trim. The standard-fit airbag module and any integrated control buttons are refitted.

S40 V50 S60 V70 XC70 S80 XC90

GEARSHIFT KNOB

For a sporty look Volvo offers both aluminum, wood and a leather shift knob to enhance the style of your vehicle. Please see your Volvo retailer to see which shift knob applies to your vehicle.
